Activities of the HCGPA in England

REFERENCE:

ODIA-30120, 2 May 1955

ODIA-5545, 11 March 1955

1. We do not believe that it would be wise at this time to take up on a bilateral basis with SWOTX the information forwarded as the attachment to reference b. There are persistent rumors that the British are encouraging and supporting the HCGPA, and [ ] is quoted as having recently expressed the opinion that members of the HCGPA should be brought back into SWOTX.

2. We would be interested to continue to receive any information McCloskey may be able to pick up on the HCGPA, particularly any confirmation of the reported British financial support of this group. However, unless the HCGPA becomes more powerful than it now appears to be, or there is more evidence of British involvement, we prefer not to query SWOTX directly.
